In order to perform all Coalition activities as we best can, it would be helpful to know the assets and resources of the members. Over the years many of you have achieved great successes for your organizations, such as nurturing great spokespeople, collecting meaningful research, and developing strong relationships with decision-makers across the spectrum.

Please let us know of any of your assets and resources (e.g., spokespeople, research) that would be able to be tapped into for SCA Coalition activities: \_\_\_\_\_
